

Turnitin Journal Segment

The week you return from the two-week winter break, your journal is due with four assignments completed in it:

- Great Expectations, Ch. 20-29
- Great Expectations, Ch. 30-59
- Animal Farm, Ch. 1-5
- Animal Farm, Ch. 6-10

On Tuesday **January 7th** by 11:59 PM, you need to have four of your journal entries typed up exactly as they appear in your journal

hardcopy and submitted to [Turnitin.com](https://www.turnitin.com). For each question, you should type the quote (with quotation marks around it) followed by your response to it. Do not include any other information from the journal or your name/period/date. Since this entry is submitted entirely online, all that you need to type and submit are the

four responses and nothing else.

Below are the six entries you must type up (as they appear in your physical journal) and submit to [Turnitin.com](https://www.turnitin.com):

#**12** and **16** from Great Expectations Ch. 20-29

#**22** and **25** from Animal Farm Ch. 6-10

This digital journal segment is a required aspect on your journal grade and must be completed for your journal to be credited as “on time”. So if either your physical journal or the digital submission is late, your journal will be late and will be subject to the 25%-off penalty.
