

## *Things Fall Apart* (Comp Book Task #2)

Update the first page of your composition book, its Table of Contents, with the first two Comp Book Tasks. Use the first free page after your previous entry to respond to the direction below. Please limit your work to its own single page, without writing on the back.

OVERVIEW: With your groupmates, generate several research questions (one per person) that address different aspects of your chosen/assigned subject as it relates to *Things Fall Apart*. Research your question and produce a written product in preparation of an upcoming group presentation.

GOALS: This task will require to you to ...

- conduct a short research project to answer a self-generated question,
- narrow or broaden the inquiry when appropriate,
- synthesize multiple sources on the subject, citing appropriately, and
- demonstrate understanding of the subject under investigation.

PRODUCT: As a written product, in your composition book, record your unique **question** and **research** in response to it on a **single page**. This written product in your comp book is due next block. You will use it to collaborate with your classmates on a mini-lesson in which you will each present an aspect of your subject to the class.
