

Name: _____

Elevator Pitch Log (Round 2)

Before delivering these three elevator pitches, refine your pitch. Be sure to include a clear, relevant explanation of your research method, including how you intend to gather data and what data you will be gathering. Also, keep your audience(s) in mind, and include an introduction to your topic that takes into account your listeners' background knowledge (or lack thereof).

Deliver your elevator pitch to a **teacher who taught you when you were a freshman**.
