### Julianna Ingram pd 1

Carly, after one week of dating Marc, was overheard saying she's in love with him. (Source B)

### Anna Cubito p1

The rumor that Anna likes Marc is stated by Danielle, a girl known for being over dramatic and interested in gossip. This questions the accuracy of the statement.

Source B

### Mariyah J

source g and f

### estelle beaupin p1

danielle, a credible source for school gossip has told marc that lindsay said carly was cheating on him with john, but lindsay may not be credible, however danielle is known to overly dramatize.

(source b)

### Jace Browy P.1

"I do but I wanted to hang out with my friends too."

### Jasmine cummings/ period 1

Marc thinks Carly is cheating but he is really cheating on Carly with Anna that's why he would rather go to the bond fire with her and his friends then hang with Carly.

And you can tell that Marc didn't like when Carly posted the tweet on line about there relationship.

Marc wants to take Carly to “The Melting Pot” an expensive fondue restaurant, maybe to make up for hanging out with Matt over her

## **Gabriel Carroll P.2 (Date night)**

They do schedule stuff together and pick dates to hangout, the place they picked for the date is expensive but they atleast try to spend time together even though Carly seems busy.

(Source H)

## **Christos Murtha Pd:2**

"We have date night tomorrow so we can spend time together then" (Source F) This shows that Marc is trying to make time to hang out with Carly but he already had plans with his friends that night.

## **Christos Murtha Pd:2**

"UGH! Matt is the WORST." (Source F) This pairs up with Carly not being invited to Matt's bonfire, this is due to Matt and Carly not liking each other so obviously Marc does not want to cause problems by inviting her.

## **Hailey Ross pd 2**

"Danielle is a credible source for accurate school gossip, but she is also over-dramatic." (Source b) This contradicts Danielle's credibility because over dramatic people tend to exaggerate a story in order for it to fit their view or the way they want things to be seen.

## **Jaden bolinder**

They need to spend more time together than always hanging with there friends so they can build there relationships and then also learn how to trust one another

## **Lauren Atsavin P.1**

"Me and my fav guy at Matt's bonfire last night. No matter what, he's always got my back! (or...I have his?LOL)"

## **Romeo Harris [Schedules] Source A**

Marc and Carly have completely different schedules for instance on Friday Marc will be hanging out with Anna at Matt's house meanwhile Carly (Marc's current girlfriend) is away at a Basketball game. On Saturday Marc seems to not intend to "Go out" on a date with Carly based on how they write out their respective Schedules in Source A.

## **Carly Keith P1**

Anna revealed that Marc "is convinced that Carly is cheating on him because Carly has been with John for the last two nights" (Source B), however this complicates things not only because a number of people have a vested interest in their relationship, but also Anna and Marc have been seen particularly close on Anna's Instagram (Source G).

## **gigi scamardella**

I think Marc is cheating on Carly with Anna because of Annas instagram post of them seen together when he lied to Carly and said he couldn't hang out and wanted to hang out with his friends instead.

Danielle told Marc that she heard a rumor that Carly was cheating on him (source B)

Source a: schedules

Carly and Marc have very different schedules. Carly has something to do every day whereas Marc only has a couple days filled out (and some are questionable). This could complicate the relationship because it makes it difficult to find free time for each other.

Carly lies about what Marc says sometimes and she throws shade at him on twitter by making tweets about Marc but don't directly state it's about him.

## **Carly Keith P1**

Marc and Carly don't see eye-to-eye, as during their text messages, Marc is more direct on what he wants, while Carly is passive in communicating her wants and needs (Source F).

Marc seems to not want to spend time together, he only wants to spend time with his friends at the bonfire, and Carly says he's going to Matt's. However in the Instagram post on Anna page it says they were spending time together at Matt's bonfire. (Source F) (Source G)

## **Charlie Harrod per.2**

Source F: Messages on Carly's phone

It seems that Mark is blowing off Carly to hangout with his "friends" and is basically telling her he doesn't want her there. Later when Anna posts the Instagram picture it seems like Mark was telling Carly not to come because he wanted to hangout with another girl. When he responds " I guess" to her asking if she should meet up with them shouldve been the first bad sign.
