

# PSAT & SAT TESTING DAYS!

**October 3rd** is when **10th** and **11th grade** students will be testing (PSAT in the Main Building a.k.a. Building 1), so classes in the other buildings for 9th and 12th grade students will continue while students with classes scheduled in the Main Building that morning will report to the Gym (1st floor classes) or the Cafeteria (2nd and 3rd floor classes).

**October 11<sup>th</sup>** is when the **9th grade** will take the PSAT (Building 4 and 1st floor of Building 5) and **12th grade** students will take the SAT (Gym and Building 5). Classes in the building not impacted by testing will continue with 10th and 11th grade students and non-testing students with classes in Buildings 4, 5, or the Gym will report to the Cafeteria (Building 4 classes) or the Auditorium (Gym and Building 5 classes).

## the Digital Readiness Check

THURSDAY  
9/28/23  
11:20 a.m.

1. The teacher in that classroom will give you a PSAT test ticket.
2. Log in to your computer with **0040cbt** and **Password1!** as the username and password respectively.
3. Make sure that the Microsoft Teams application is closed (just like during FAST testing).
4. Download the **Bluebook** app onto your laptop:
  - Open the "Bluebook Installer" folder that should be on your desktop and then double-click the "Bluebook Setup" file in the folder.
  - The update will take a minute or two, and if the application does not automatically open after finishing the install, just double-click on the "Bluebook" icon now displaying on the desktop. (The icon is blue with a star.)
5. When Bluebook opens, sign in using the login credentials on the test ticket the teacher gave you.
  - Do NOT log in using a College Board account that you may have already created; only log in using the information on the PSAT test ticket.
6. When signing in to Bluebook, you should see a button in the top-right corner that says "Test Your Device"; click this to have the application check your device.
7. Before the period is over, complete the exam setup. (If time runs out, you can still complete this final step on test day next week.)
8. Give the PSAT test ticket back to the teacher. Remember: this room is where you will report to for testing and you'll need to bring your laptop fully charged *with your charger*.
