

FAST PM3 (ELA Reading)

Attention, Green Devils! This Thursday — May 2nd — all 9th and 10th grade students will be taking the PM3 (ELA Reading) test. It's important to read through this entire message to ensure you're fully prepared:

1. Below, you'll find two lists: one for 9th graders and one for 10th graders. These list your assigned testing locations which are the same as usual, unless you only joined St. Pete High recently.
2. Please arrive at your testing location by the very start of 2nd period.
3. Remember to bring your district-issued laptop. SPHS has only a few extras available, so it's crucial you bring yours. If you forget, head to the Media Center.
4. If you're NOT testing (11th and 12th graders) and your classes are usually in the Main building, head to the Cafeteria. If you're usually outside the Main building, go to the GYM.
5. You'll stay in your testing room until you hear the announcement that it's time to return to regular classes.
6. Once you're on your laptop, you'll likely need to log in to renew it for next year. This should take just a few minutes.
7. This test is very important for both you and our school's overall grade. It's meant to show your growth as a reader throughout this school year.
8. Here are some test-day strategies to help you do well:
 - Take your time; you have all day. If you need more time, go to the Media Center to finish.
 - Use your scratch paper wisely and double-check your work.
 - Read questions and passages carefully—avoid random guesses. The test adapts to your answers, so harder questions mean you're doing well!
 - Answer questions in order and take time to eliminate incorrect answers. Skipping isn't allowed.
 - Pay attention to titles, labels, and visuals in passages; they're important!
