SECOND SEMESTER 2012-2013

Note: No first or second periods on Monday as they have reviews before the exams the next day! Because of the shortened day on Wednesday there is no extra time for 5th and 6th period reviews, sorry.

Last year the School Board decided that there would no longer be earlier release days during our Exam weeks, so we have our normal release times. That gives us a lot of time to fill so that is why we have the review periods except on Wednesday.

The review time can be used for many things, you decide. Examples

- Reviewing
- Collecting Work
- Resolving financial obligations
- Checking in textbooks (semester long courses)
- Preparing test materials
