

TFA Journal #4

Pre-IB English 2

Create a fresh entry in your journal (composition book). In printed ink (NEITHER CURSIVE NOR PENCIL), analyze how Achebe makes use of your assigned literary element (SEE THE LISTS BELOW) to introduce as well as complicate your chosen thematic motifs (FROM YOUR THEME LOG) throughout the novel's first seven chapters; include two quotations (PROPERLY WOVEN & CITED) that are relevant to your interpretation. Try sticking to literary present tense.

- Ⓐ contrasts in settings (specifically when/where & how)
- Ⓑ traits of the tragic hero (clarify how Okonkwo fits)
- Ⓒ a foil character (who & exactly how they contrast)
- Ⓓ a simile with multiple meanings
- Ⓔ nature functioning as a symbol (with two possible meanings)
- Ⓕ imagery (which sense, literal or figurative)
- Ⓖ a specific proverb (and its possible meanings)
- Ⓗ a specific story (and its purpose in the chapter)
- Ⓘ irony (which type, expectation vs. reality)
- Ⓛ the narrator's point of view (and their complex tone/attitude)
