

TFA JOURNAL #4C

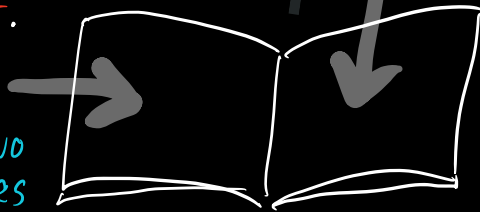

Collaborate with a peer who is tracking a different thematic motif than the one you're tracking.

- Keep your response in the literary present tense.
- Write neatly in ink.
- Support your interpretation with two or more woven, cited quotations
- Proofread to avoid run-ons.

Discuss with your partner an authorial choice in Ch. 15-18 of the novel that serves to develop both of your thematic motifs.

Use the left-hand page to take notes, plan your response, and record the time, date, and location of your meeting.

Include your two signatures as verification of your collab.

Use the right-hand page for your analysis of Achebe's choice and how it complicates, subverts, challenges, or otherwise spices up both of your thematic motifs.
