

All 9th and 10th grade students will take the FL FAST Writing assessment on Tuesday, March 31st, 2026.

- Report to your assigned testing location at the start of 2nd period (8:17 a.m.),
- bring your district-issued laptop.
- take your time in order to do your best,
- use your scratch paper and check your work carefully, and
- pay close attention to all titles, labels, images, and graphs.

The test begins at the start of 2nd period and may continue through 5th period. Although the writing assessment is designed for 120 minutes, you may continue working until the end of the school day if needed. There is no need to rush.

If you have not finished by the end of 5th period, pause your test and your teacher will write you a pass to report directly to the Media Center so that you can continue working.
